

THE OPERATION

Located in northeastern Ohio,
our 8,000 acres of privately managed
& exclusive access offers our hunters
true opportunities at harvesting
free-range trophy whitetails
that Ohio is famous for.

Our hunters are able to book a variety
of semi-guided hunt options
from the 7-Day Early Archery Season
in late September through early October,
the 2-Day Youth Firearm Season,
Adult 7-Day Gun Season in late
November through early December,
and the 4-day Muzzleloader Season
in early January. This variety offers
many different hunting scenarios
including bucks on summer feeding
patterns to post-rut and secondary rut
activity along with the
wintering feeding activity.

With the mountainous terrain, CRP, corn,
soybeans, mining strip jobs, oak flats,
and swamp bottoms,
we have the ultimate whitetail habitat
combinations that monster bucks love.
Come see for yourself.
